[REDACTED]

Dear Review Panel,

I am writing in response to the above review.

Australia's Top Order Apex Predator = the Dingo

Protection of the Top Order Apex Predator = Ecological Balance

Trapping, Shooting and the use 1080 and PAPP baits = decrease in numbers and eventual extinction of Top Order Apex Predator

Extinction of Top Order Apex Predator = Ecological disaster

I look forward to your review and response.

Yours sincerely,

Marilyn Johnson
